Our Judges

Dogs — Lydie Estru (Sun Kosi) [France]

The TT... this story began in 1981 when I fell in love with a fantastic young dog at Ladakh Lha Chen Kennel (breeder Claude Million)! I wanted a dog at that time but didn't know which breed! After that meeting, I was sure : my dog will be a tibetan terrier : perfect size for my way of life and wonderful temperament. A real little person!

Claude offered me my first TT Thaïs – sister of the very successful Tschowo – from her first litter. She was registred as LOF N° 61, maybe the fifth litter in France. It was in 1982. I am so grateful for this gift, each day with Thaïs was a pleasure, she became the official Nanny of my classroom, looking after my young and delighted pupils. If she was not really a dog for show (in fact she disliked this game), she finally became international champion! It was also the opportunity to meet people from all over the world, make some friends and be mentored by very talented breeders.

In the same time, with my friend Claude and some other breeders, we created in 1983 the french “Club des Chiens Tibétains de France”, which became official in 1994. I am still member of the club committee and like to work for the Tibetan breeds.

I became a judge in the same year and now, I judge several breeds in the FCI toy group and I am a teacher for new judges in Tibetan breeds, Cavaliers and Papillons.

If the first Sun Kosi litter was Briards (my husband's dog), we now only breed Tibetan Terriers. We had some successes in dog shows with our TTs, in France and abroad. We try to produce dogs with good body, movement and coat quality and to preserve the typical temperament. Our dogs are living at home with us so we can appreciate their daily spice for life and they are at the same time pets and show dogs!

It is a great honor for me to have the opportunity to judge the show at the World Congress which is the biggest event for our breed. Many thanks to the TTBOC for this invitation. I feel honored and I am very happy to share these days with you.

Bitches — Juliette Cunliffe (Modhish) [Nepal]

Words cannot describe how thrilled I am to have been asked to judge at the Tibetan Terrier World Congress Championship Show in the UK in 2017. As many of you will know, I have never owned a TT but have always felt very close to the breed, both in the UK and in the many parts of the world to which I have travelled. I started in dogs showing Afghan Hounds in 1976, soon followed by Lhasa Apsos, which I still have to this day in my home in Nepal, where I have lived for 8 years. The other breeds I have owned, bred and shown are Deerhounds and Whippets, both of which are also very dear to my heart.

I had already judged TTs at several shows abroad when my first opportunity to award CCs in the UK came along. As I write this I have no records to hand, so cannot recall the year, but it was at Welsh KC Championship Show where I awarded the DCC with BOB to Ch Waterley's Dressed to Impress, who went on to take RBIS under Anne Arch. That was a great start to my CC career in the breed in the UK. Obviously long prior to that I had been through the breed's judging exams, from which I genuinely learned a great deal and have often recommended the system to others.

Despite my love of Sighthounds, I am usually connected most often with the Tibetan breeds. I award CCs in Lhasa Apsos, Shih Tzu, Tibetan Terriers, Tibetan Spaniels, Shar Pei and Deerhounds. I have not judged Tibetan Mastiffs in the UK since the breed was awarded Ch status, but I do give CACs and CACIBs in TMs and have judged them, as indeed the other breeds, in several different countries throughout the world.

My particular interest in the Tibetan people and their dog breeds, first took me to Dharamsala in Northern India in 1985. By 1989 I had discovered that there were more Tibetans and their dogs in Nepal, so from that time I visited here almost every year until moving here in 2009. I spent much time in the Tibetan Refugee Camps for at that time dogs were still coming out of the country overland, with their owners.

I greatly look forward to my judging appointment at this World Congress and hope you and your dogs enjoy a wonderful weekend

10. The mating of bitches within the precincts of the Show is forbidden.

11. **Best Puppy in Show:**

Where a Best Puppy in Show competition is scheduled the Best Puppy in Show is a puppy which has competed and is unbeaten by any other puppy exhibited at the same Show. A puppy is a dog of six and not exceeding twelve calendar months of age on the first day of the Show. Where the Best in Show is a puppy it should automatically be awarded Best Puppy in Show. Similarly, if the Reserve Best in Show is a puppy which has only been beaten by an adult dog it should also automatically be Best Puppy in Show. Consequently, selection of Best Puppy in Show must follow the selection of Best in Show. Best Puppy in Show must be selected from puppies which have been judged and which are unbeaten by any other puppy.

Withdrawal from Other Competition: Puppies which become eligible for Best Puppy in Show may be withdrawn from all other competition, other than Breed Classes prior to the competition for Best Puppy in Show as appropriate, in order to remain unbeaten. A puppy beaten in competition for Best Puppy in Show may subsequently be exhibited in all competition for which it was previously eligible. The dog declared Best Puppy in Show, however, must not compete in any subsequent competition.

Proviso: For the purpose of this Regulation, dogs beaten in competition for Stud Dog, Brood Bitch, Progeny, Brace and Team or a Special Award confined to one breed will not be considered to be a beaten dog.

12. **Best in Show:**

The dog declared Best in Show is a dog which had competed and is unbeaten by any other dog exhibited at the same Show. Best in Show must be selected from the exhibits declared Best of Sex providing they are unbeaten winning dogs. Reserve Best in Show must be selected from the Best Opposite Sex and the Reserve Best of Sex to the exhibit declared Best in Show. The dogs declared Best in Show and Reserve Best in Show must not compete in any subsequent competition.

Withdrawal from Other Competition: Dogs which become eligible for Best in Show maybe withdrawn from all other competition, other than breed classes prior to the competition for Best in Show as appropriate in order to remain unbeaten. A dog beaten in competition for Best in Show may subsequently be exhibited in all competition for which it was previously eligible. The dogs declared Best in Show and Reserve Best in Show however, must not compete in any subsequent competition.

Proviso: For the purposes of this Regulation, dogs beaten in competition for Stud Dog, Brood Bitch, Progeny, Brace and Team or a Special Award confined to a single breed, will not be considered to be beaten dogs.

13. Exhibits will not be admitted to Best in Show competition after a period of ten minutes has elapsed since the announcement that exhibits are required for judging, unless they have been unavoidably delayed by previous judging not being completed on time, and then only with the special permission of the Show Management.
14. Exhibitors must not pick up dogs by their tails and leads when lifting them. This is not acceptable. Exhibitors should note that such practice would constitute harsh handling and reports of such practice will be referred to the Committee under Kennel Club Show Regulation F11.
15. It is not acceptable to handle a dog in a manner which causes its feet not to touch the ground when on the move. Exhibitors should note that such practices could constitute harsh handling and reports of such practice will be referred to the Committee under Kennel Club Show Regulation F11.
16. All exhibitors must be familiar with Kennel Club Regulation F (Annex B) - Regulations for the Preparation of Dogs for Exhibition.

17. All dogs resident outside of the UK must be issued with a Kennel Club Authority to Compete number before entry to the show/event can be made. All overseas entries without an Authority to Compete number will be returned to the exhibitor/competitor.
 18. **Dogs in Vehicles on Hot Days.** Your dog is vulnerable and at risk during hot weather and the Kennel Club offers the following guidance to help guide you through the do's and don'ts travelling to and whilst at KC licensed events.
 - When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route, and leave earlier to avoid increased time in traffic jams.
 - If your vehicle is not air-conditioned seriously consider whether travelling to the show is a good idea at all.
 - The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink.
 - Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog.
 - When at the show, never leave your dog in the vehicle.
 - Keep the dog in the shade - take your own shade for example a large umbrella and always have plenty of water available to drink so your dog stays well hydrated.
 - Avoid your dog taking part in unnecessary exertion, or from standing in exposed sunlight for extended lengths of time.
- Remember, if you feel hot your dog is very likely to feel much hotter and dehydrated, and this could lead to dire results. Please look after your dog's welfare. **WARNING: IF YOUR DOG IS FOUND TO BE AT RISK FORCIBLE ENTRY TO YOUR VEHICLE MAY BE NECESSARY WITHOUT LIABILITY FOR ANY DAMAGE CAUSED.** Anyone whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not put a dog's health and welfare at risk by any action, default, omission or otherwise. Breach of Kennel Club Regulations in this respect may be referred to the General Committee for disciplinary action under Kennel Club Rules and Regulations. Exhibitors/Competitors are reminded that show societies have the right under Kennel Club Regulation to refuse any entry.
19. Not for Competition entries will be accepted. Details of each dog so entered must be recorded on the entry form and must be Kennel Club registered.
 20. No modifications will be made to this Schedule except by permission of the General Committee of the Kennel Club, which will be followed by advertisement in the Canine Press wherever possible.
 21. The Show will be held under Kennel Club Rules and Regulations. Every exhibitor making an entry or entries at this Show shall be deemed to have agreed to abide by the Kennel Club Rules and Regulations and by these Regulations, and it is on this understanding only that entries are received. All dogs must be registered or transferred at the Kennel Club before the Show.
 22. The Committee is empowered to exclude or to remove any dog which is not in a fit state for exhibition from disease, vice, natural or other causes. If such exclusion takes place either before or after the dog is judged, the entrance fee will be forfeited.
 23. Should any Judge be prevented from fulfilling his/her engagement the Committee reserve the right to appoint a substitute in which case exhibitors are at liberty to withdraw from competition but no entry fees can be returned.
 24. Any owner, competitor, handler or other person in charge of a dog is required to remove as soon as possible any fouling caused by their dog(s) at any Kennel Club licensed show within the licensed venue and within the environs of that event including car and caravan parks and approaches. Anyone failing to clear up will be reported to the Committee who may enforce the right to refuse entries from that exhibitor for future Shows.
 25. The Committee of The Tibetan Terrier Breeder and Owner Club can accept no responsibility for products advertised or sold by stand holders at this Show and exhibitors are reminded that grooming products on sale may not meet the requirements of the Regulations for the Preparation of Dogs for Exhibition.
 26. All Rules and Regulations or definitions and instructions of the nature of Rules and Regulations, printed for convenience in other parts of the Schedule, shall be deemed to be Regulations of the Committee and shall have the same effect as if they formed part of these Regulations.
 27. Dogs are allowed to leave the show after they have been exhibited in all classes for which they are entered.
 28. The owner, exhibitor, handler or other person in charge of a dog at Kennel Club licensed events must at all times ensure that the dog is kept under proper control whilst at the licensed venue, including its environs, car and caravan parks and approaches. This Regulation applies before (at any time during the set up period at the venue), during the event and afterwards (at any time during the breakdown of the event).
 29. A dog may be disqualified by the General Committee from any award, whether an objection has been lodged or not, if proved amongst other things to have been: a) registered or recorded as having been bred by the scheduled Judge, this shall not apply to a Judge appointed in an emergency; b) exhibited without payment of appropriate entry fees.
 30. Every exhibitor shall ensure that whilst the dog is being exhibited, its handler shall display the correct ring number.
