### JUDGES CRITIQUE

#### ***Veteran Dog (4)***

##### **Bohsanti Nevill**

A strong, masculine dog of excellent type and quality. He is most athletic and has a very attractive outline and is well balanced even if I would have preferred slightly more length of leg. Excellent skull, slightly tapering from ears to eyes. Correct length of muzzle, correct stop. Excellent pigmentation. Strong neck, well set. Balanced angulation both ends. Correct topline and tailset. Deep body with ideal volume. In a rich double coat. He excelled in movement, free, sound and energetic, at all times carrying himself well. I was surprised to learn that this dog is not a champion as he certainly would deserve his title.

##### **Tsetsikarma Stargazer ShCM**

Upstanding, masculine dog, definitely square in outline. Another with an excellent skull, correct stop. Would not want a longer muzzle. Excellent pigmentation. Good length of neck. Moderate angulation in front. Strong topline with a strong loin. Well set and carried tail. Moderate angulation behind. Lovely coat, well presented. He moved well from the side, tending to side-track somewhat coming and going. Excellent feet.

##### **Kybo Looney Tunes**

## TTBOC CHAMP SHOW

### **Minor Puppy Dog (4)**

#### **Dejaru Masquerade**

At eight months black old, this dog is of excellent size, shape and quality. I particularly liked his head and expression, excellent skull, nose not long and correct stop. Well set neck into shoulder making the shape of the half moon landing on his back. Well set and carried tail. Balanced angulation both ends. Lovely coat quality. He is already a sound mover coming towards me and kept a beautiful balance form the side when not jumping. Somewhat narrow as viewed from behind. Correct flat feet. Well handled. Still needs to grow slightly more up on legs for his mature balance. ***Best male puppy***

#### **Verony Living Legend**

Another very attractive puppy. Well up on legs without being big. Masculine head with pleasing skull, good stop. Correct length of muzzle. Very good rise of neck. At this time he is somewhat longer cast than the winner. Particularly well constructed in front with excellent layback of upper arm and standing very well over his feet. Well set and carried tail. Excellent coat quality, very well presented. Kept his balance and outline on the move and moved well, even if not as freely as the winner and tended to lift his front feet more than necessary.

#### **Boshay Kaliko Jack**

### **Puppy Dog (4,1)**

#### **Lasang As Good As He Looks**

A black dog of excellent type and quality. Excellent size and well proportioned, attractive outline. He has a good skull, could do with some more strength of muzzle. Excellent eyes. Enough neck, well set into withers. Balanced, moderate angulation both ends. Firm topline, well set tail. Needs to gain some more weight to get a full body. Pleasing coat quality, Kept his outline and shape on the move at all times and moved soundly.

#### **Boshay Kalkiko Jack**

A tall dog, at seven months old I would not want him to grow any more than this. Strong masculine head with definite stop, strong jaws. Good rise of neck, well developed in forechest. Firm topline, well set tail. He moved soundly enough, but his head carriage was rather inconsistent, but at his best he looked good. Excellent coat, well presented.

#### **Boshanti Gerald**

### **Junior Dog (5)**

#### **Avaness Stars Shine Darkly Over Setrique**

A shapely, well proportioned black and white dog. At 13 months old, he is on the fine side and needs to gain some more substance and body with age. Pleasing skull, enough stop, could do with a stronger muzzle. Well set neck into

## TTBOC CHAMP SHOW

### JUDGES CRITIQUE

shoulder. Typical square body proportions, well set tail. He would benefit from more weight. Correct feet. Lovely coat. He stood well over his front legs and kept a very attractive silhouette on the move. Light and easy on the move. Well presented..

#### **Bheehind Closed Doors**

A more substantial, well proportioned dog who was serious competition for the winner. He has at this time grown up on legs and now needs to drop into his angulation in front. Attractive head with strength of muzzle, but could do with more chin. Excellent neck, well set. Short body. Well set and carried tail, beautiful. In a better body than the winner, but not putting as much width on his front when standing. He moved very well, particularly from the side. Lovely coat.

#### **Layoli Island Treasure**

#### ***Yearling Dog (1)***

##### **Silgarhi's Holy Moses At Walkamile**

A dog who is much better on close inspection than what he appears from a distance where he could use more elegance. He has a particularly lovely expression, full of character, masculine and strength. Strong neck. Very shapely in his outline, but his rather fluffy coat takes something away from his elegance. Strong hindquarters. Very good front. Excellent tailset. Already has a full body. Moved well from the side, reasonable coming and going. Well presented.

#### ***Novice Dog (5)***

##### **Dejaru Masquarade**

##### **Verony Living Legend**

##### **Layoli Island Treasure**

#### ***Graduate Dog (5)***

##### **Unohoo Here Comes Hugo**

A very well made and well constructed dog. He is strong and masculine, but without lumber. Strong head with pleasing proportions, well shaped skull and a strong muzzle and chin. Attractive expression. Medium neck, well set. Good layback of upper arm. He has a full body well muscled. Well set tail, somewhat on the flat side. Excellent coat structure, I would like no more of his coat, especially on his head. Kept a lovely balance on the move from the side and opened up very well, quite pleasing coming and going. Well presented.

## JUDGES CRITIQUE

### **Gilgit Om Gimli Sangmo La Mani**

A larger dog, young and striking for his proportions, but I would not want any more of him. Strong head, masculine, excellent pigmentation. Muzzle on the longer side. Excellent rise of neck, and he used it to his advantage. Firm topline, well set and carried tail. Square in outline. Moved well from the side and as viewed from the front, but could be sounder going away. Very well handled. Coat under development.

**Boshanti Tedrick**

### ***Post Graduate Dog (3)***

#### **Silgarhi That's Amore**

A very well proportioned dog with very pleasing overall type, quality and size.

His head would profit from developing more coat and he has just a very moderate stop. Good rise of neck, reasonable shoulder. Strong, firm topline, well set tail. Excellent length of leg compared to length of body. Balanced angulation both ends. Coat of excellent structure, but he has scratched his head and thus lost head coat. Quite comfortably the best mover of the dogs in this class, at all times keeping his balance and silhouette. Pleasing coming and going as well. Well handled.

#### **Trytez Try'n Stop Me**

A taller dog, masculine and square. His lack of stop resulted in a somewhat foreign head type. Excellent bite and strong chin. Pleasing topline.

Reasonable tailset. Capacious body. Excellent flat feet. Could do with some more angulation behind. Still moved quite well. Lovely coat, well presented.

**Araki All About Koori Bear**

### ***Limit Dog (12,1)***

#### **Jiggy Stardust By Unhoo**

Well proportioned young dog who truly stood out in movement among his competitors. He has a masculine, strong head with lovely pigmentation and just enough stop. Medium length of neck which is well set. Square in outline. Well set and carried tail. Balanced, moderate angulation both ends. Quite a good body with depth and enough volume, certainly for his age. He was the only one who moved out well from the side while still being clean coming and going. Looked somewhat the odd one out in the class because of his youth, but age is something that will come around soon enough.

#### **Silgarhi Quigleys Quest**

Black dog, masculine, slightly longer than the winner. He has an elegant head, could do with some more stop. Medium neck. Pleasing angulation in the front. Strong and firm topline, well bodied. Moderate, but balanced angulation both ends. A very good mover coming and going, moving at reasonably well from the side. In a rich wavy coat. Well handled.

**Araki Magic Dancer for Karamyst JW**

## JUDGES CRITIQUE

### ***Open Dog (8,1)***

#### **Araki Whodares Wins**

For me this dog almost has it all. He has the proportions, the shape, the substance without lumber, masculine without being course. I really liked his head, good width of skull, well placed eyes, correct length of muzzle and enough stop. His neck is well set into his body, and it looks like the half moon has landed on his back, Well set tail with the height that allows for that moon. He has a good forechest, strong legs. Correct flat feet. Excellent coat quality, lovely structure, but some more finesse could have been added to his coat presentation. Well angulated behind. Moved soundly behind and very well from the side. He played up a bit at times on the move and then did not use his tail to his advantage, but he had it up most of the time and then made a lovely picture.

**CC**

#### **Waterley Viceroy**

Another dog of excellent type and quality, well proportioned and shapely.

Masculine head with the darkest of eyes, strong muzzle. Well set neck into shoulder. Balanced angulation both ends. Firm topline, strong loin, well set tail, but not quite the lift of the winner. He is still less than two years old and has a corresponding body, still under development. Lovely coat. A truly excellent mover, especially from the side, which made a difference today.

Very well handled. **resCC**

#### **Ch. Waterley Ricky Evangelsista**

### ***Good Citizen Dog (1)***

#### **Silgarhi O'de Chen at Nytechorus**

A dog well up on legs and with very pleasing proportions and outline. He has a good skull, I would not want a longer muzzle, medium stop.. Excellent pigmentation. Quite good rise of neck. Well set and carried tail. He could do with some more finish to his coat. Correct feet. He moved soundly enough from all angles. I considered placing this dog in the limit class.

### ***Veteran Bitch (3)***

#### **Lynces Love of My Life at Tizzycharm**

Well proportioned white and black bitch, decidedly square. She is feminine and elegant, still has enough substance. Feminine head with pleasing skull and very good proportions skull to muzzle. Lovely expression. Medium neck. Attractive outline contributed to by her neckset and tailset. Moderate angulation both ends, she could do with a stronger rear. She moved soundly coming and going with medium extension from the side, I would have preferred some more.

#### **Renvall's Lupin For Love**

## JUDGES CRITIQUE

Striking black bitch. Standing she looked the best in the class. She is stronger than the winner, but not too much. Ideal bite. Strong, well set neck. Firm topline. At times a little high behind. Excellent tail. Wonderful coat. She has lot of class and is instantly attractive. Sadly she lost the tail most of the time and only rarely kept it up.

**Lynces Hazy Shade of Winter**

### *Minor Puppy Bitch (7,2)*

**Sanchara Where You Belong**

A very well developed bitch for her age. She has very good substance and a very good body. Attractive head, just enough stop, excellent expression. Good rise of neck, well set into a firm topline. Well set tail that could have a bit more rise to it. Still awaiting dropping into her hindquarters. Excellent coat. A very positive, sound mover, at all times keeping her balance. Excellent coat. Correct feet.

**Lasang Flo Joe**

Another elegant, well proportioned bitch, not dissimilar to the winner, slightly larger and not yet as developed in her body. She is very stylish and eye-catching both standing and moving. Elegant head, not the strength of muzzle of the winner. Long neck, well set. Very pleasing silhouette. She moved with plenty of carriage and was sound coming and going. Lovely coat. Well presented.

**Trytez Golden Glow**

### *Puppy Bitch (6,1)*

**Araki Krazie Maizie To Tetsikarma**

Instantly attractive bitch who really fills the eye, very athletic, she is very well developed for her age. Excellent skull, well shaped and placed eyes, good skull to muzzle proportions. Excellent pigmentation. Pleasing stop. Beautiful outline where the half moon landed on her back. Very good bone. Well angulated both ends. She moved very soundly from all angles, truly impressive. I hope she does not grow any larger than this. ***Best Puppy in Show.***

**Horpa Tso Achendra Sangmo La Mani**

Feminine, very well made bitch of very pleasing size and proportions. I really liked her expression as she is very snotty, and she has the marked stop required. Good length of neck, not quite as smoothly set as the winner. Balanced angulation both ends. Very good coat quality. She moved very well from the die, but quite narrow behind.

**Lasang Miss Moppet**

### *Junior Bitch (16)*

Excellent class, I was truly spoiled for choices.

## JUDGES CRITIQUE

### **Waterley Midnight Martini**

Very beautiful bitch of excellent type, proportions and of outstanding overall quality. I basically liked everything about her and considered her the star of the show. Beautiful head with excellent expression from her dark, roundish eye. Excellent pigmentation, well proportioned skull to muzzle. Very good rise of neck, smoothly set into shoulders. Short, firm loin, well ribbed. Well set tail. Excellent coat condition. She already has a full body with depth and width without exaggeration. An extraordinarily good mover from all angles, dead sound. Indeed a top representative of her breed and sex. **CC & BOB.**

### **Shamisha Cinnamon Swirl**

A decidedly square bitch and an exceptional mover from the side, it is remarkable how she is able to stride out and still keep within her square frame. She is slightly larger than the winner, but still feminine and very typey. Expressive, feminine head. Pleasing neck into shoulders. Very well set tail, making a lovely outline. Could do with slightly less weight on her. Beautiful coat in ship shape condition. Very well handled. A firework in movement, very athletic and free striding.

### **Djankay Starlight Fair**

### ***Yearling Bitch (5)***

#### **Gemaras Pasodoble Promise**

Elegant, square bitch, decidedly feminine. Very feminine in head, she has a pleasing expression from her dark, roundish eyes, enough stop. Good proportions skull to muzzle. Moderately long neck, well set. Excellent tail that balances and enhanced her silhouette. Moderate, but balance angulation both ends. Super coat quality. She moved very well from the ide, but tended to side track.

#### **Karamyst Love Actually JW**

Another very attractive bitch, eye-catching. She has a good skull and corresponding length of muzzle. Excellent expression. Longer neck than the winner. Firm topline, well set tail. Strong bone and balanced angulation both ends. On the move she tended to lower herself somewhat and then became a little bum high. Excellent coat, well handled and presented.

### **Tyngeli Give Us A Twirl**

### ***Novice Bitch (7)***

#### **Araki Krazie Maizie to Tetsikarma**

#### **Horpa Tso Achendra Sangmo La Mani**

#### **Lasang Been Banged**

### ***Graduate Bitch (10)***

#### **Shamisha Aim For Me**

Typey, square black and white bitch of general high quality. She has a feminine

## JUDGES CRITIQUE

head with excellent expression, very good skull, enough stop and chin. Neck well set into body. Excellent tail, well carried and set. She has good depth of body. A fabulous coat, very well cared for. Typical flat feet. She moved very well indeed from the side, keeping up her silhouette. Well handled in sync with her handler.

### **Silgarhi Xantarahni**

Another very attractive bitch, sturdy and square. She has a very feminine head with very pleasing head proportions. Enough neck, not the neckset of the winner.

Firm topline, very good tailset. Moderate, but balanced angulation both ends.

A sound and effective mover from all angles.

### **Araki Not on Your Nelly at Javey**

#### ***Post Graduate Bitch (6)***

### **Khyibrang's Spanish Eyes with Dejaru**

A no nonsense bitch with pleasing proportions,, almost square. Feminine head with a good stop, enough width of muzzle. Firm topline, good tailset. Very good coat structure. Moderate, but balanced angulation both ends. She kept her balance on the move, sound coming and going and moved reasonably well from the side.

### **Yeshi Truly Scrumptious**

Quality bitch, she has a striking outline on the stack. Very feminine head, excellent stop, but could do with a stronger muzzle. Well set neck into shoulder. Firm topline, well set and carried tail. Moved reasonably well coming and going and light on her feet from the side, but looked somewhat shorter on legs moving than standing. Beautiful coat, well handled.

### **Remmus Rise And Shine**

#### ***Limit Bitch (13,2)***

### **Waterley Angel Evangelista With Malocomi**

Black and white bitch of excellent type and quality, very well proportioned and with excellent shape, just what I am looking for. She has a feminine head with enough strength and depth of muzzle. A very well set neck and tail, together creating a very attractive silhouette. Sound legs and feet. Balanced angulation both ends. She moved very soundly coming and going and kept her outline on the move from the side. Beautiful, well nurished coat, well handled. **ResCC.**

### **Shamisha's Looking Glass**

Another black and white bitch, not dissimilar to the winner and another with elegance and decidedly square in her body proportions. She has a feminine head, I would prefer more space between her eyes and some more stop. Well set neck, short body. Well set tail. A very well cared for coat, but I would not want any more of it. A dynamic firework in movement, extending very well in both ends.

# JUDGES CRITIQUE

## Waterley Shantay You Stay

### *Open Bitch (9)*

#### **Ch. Myrlea Martha Reeves**

A very typey bitch with a beautiful outline and proportions. Snotty expression from her well shaped feminine head, excellent stop. Well set neck into shoulder. Excellent topline, well set and carried tail. Moderate, balanced angulation both ends. Excellent feet. She moved soundly coming and going and kept her outline from the side. Typical, well care for wavy coat.

#### **Alilah Intrigued**

A very eye-catching bitch, easy on the eyes. She has an exceptional neck, long and strong and well set. Strong, still feminine head, well proportioned. Firm topline, well set and carried tail. Deep and capacious chest, she is very good to go over, but does not show as much daylight under her as the winner. Moved soundly from the side and from behind, if not exceptional on the move and could be more precise in the front movement.

#### **Shamisha Showcase For Gemaras**

### *Good Citizen Bitch (2)*

#### **Araki Areu the Queen of Bees for Stylaxian JW**

Unplaced in the excellent junior class today, this is a well balanced bitch, well up on legs and with almost matching body length to make her almost square. Feminine head with very good substance and strength of jaw. Well set neck into shoulders. Very good layback of upper arm. Well angulated behind with short hocks. Beautiful tail. Positive mover from all angles. In her previous class she lacked the finish of her competitors, but this is still a very good bitch.

#### **Tasica Absolutely Fabulous**

Another well proportioned bitch. Feminine. Not the jaw of the winner nor quite the neck. She has pleasing length of leg, a firm topline on the stack, tending to be a bit bum high on the move. Excellent coat. Very good feet. Quite a sound mover.

### TTBOC BREED CLUB CHAMPIONSHIP SHOW SPECIAL CLASSES

What a superb breed club show this is. Very well organised by a friendly and helpful committee who dedicate their time in order to make sure the show is fun for all exhibitors. With the raffle, the cake competition and the donated cakes and merchandise stall, with one special prize donated by ourselves at Araki, It makes the day very worthwhile for the efforts put in by all the organisers and staff. For this reason I have to give a huge thank you to TTBOC committee for offering me this opportunity to judge the special classes at this superb Breed Club Championship Show.

## JUDGES CRITIQUE

### **Class A . Special Award Special Yearling. 14 entries.**
